

SINCE 1936

THERMOSTATIC EXPANSION VALVE TRAINING

**Training by Sporlan
Presented by Adam Keith**

Thursday, September 26th, 2024

5:00 pm - 7:00 pm

Cost: \$25

**Duncan Supply Terre Haute
100 E. Ohio Street
Terre Haute, IN 47807**

Dinner will be Served

TOPICS TO BE COVERED

Join us for a detailed discussion of TEV operation, installation, and troubleshooting. In addition, we will cover the purpose and application of several variations that Sporlan offers, including:

- Internal versus external equalizers
- Balanced port versus conventional port
 - TEVs containing a bleed port
- TEVs containing a MOP (Maximum Operating Pressure)
